

Pennsylvania Anesthesia Coalition

Anesthesia Services

Dear Patient,

Pennsylvania Anesthesia Coalition, LLC (PAC) will be the provider of anesthesia services for your upcoming scheduled procedure at **Montgomery Surgery Center**. We are proud to take care of your anesthesia needs and want to assure you that you will be under the best care possible.

We also want to ensure you will receive excellent customer service. Keeping you informed of cost of anesthesia is part of our patient care process to make sure your services are uninterrupted and any fees resolved to your standards. This letter is intended to provide you with contact information so that you may validate your coverage for the cost of anesthesia services prior to your procedure, as well as obtain information about our acceptance processes.

If you have any questions regarding your personal insurance coverage, please contact the member services number listed on your insurance card.

If you have any questions regarding our acceptance of your insurance for the anesthesia related costs prior to your scheduled procedure or any questions about your anesthesia care, please email brenda@pacanesthesia.com or call PAC at (610) 988-6060.

If you have any questions

PAC may bill you for any additional non-covered services or deductibles, copayments, and coinsurance as assigned by your insurance carrier.

Sincerely,

PAC Staff
